

Hereward College

Promoting individual achievement

Explorer Pathway

Entry Level 3 and Level 1

Highly ambitious for all our learners

Leaders are highly ambitious for all their learners. They have a clear strategic vision to ensure that learners are supported to achieve their very best. Leaders place a particularly strong focus on life after college, including meaningful and sustainable employment for learners.

Ofsted report – June 2023

Study programmes to meet all needs

Hereward College offers courses for residential and day students at our Coventry campus.

Our pathway approach to learning ensures that all levels are catered for and we work with you to build a programme of study to help you achieve your goals.

In our Foundation Pathway, courses run from Pre-Entry up to Entry Level 2; with a Learning for Life sensory curriculum specifically aimed at students with profound and multiple learning difficulties.

The Explorer Pathway caters for students working at Entry Level 3 and Level 1 and our Discovery Pathway is for students progressing to Level 2 and Level 3 courses.

English and maths are included in all programmes and there is a clear focus on employability and enterprise.

For learners with ASC with more complex sensory or social and emotional mental health needs we have introduced Foundation Plus and Aspire; individualised and targeted intervention programmes which are supported by highly skilled experts.

We also offer work skills and employability programmes, including supported internships, working in partnership with regional and national employers.

Highly ambitious internship programme

Learners on supported internships participate in a highly ambitious programme. Subsequently, interns become valued employees and progress to permanent roles with the employer at the end of their internship.

Ofsted report – June 2023

Explorer Pathway

Entry Level 3 and Level 1

Students follow a curriculum that develops independence and preparation for adulthood:

- Community Inclusion
- Employment
- Health & Wellbeing
- Independent Living Skills
- Functional skills maths and English.

For more complex social and emotional needs, we have an Explorer Plus programme that will be considered as part of the admissions process.

97%

Pass rate

89%

Achievement rate

91%

Retention rate

Hereward College's achievement rates are consistently above national averages. Figures above based on Explorer leavers in 2023/24.

What will I study?

Entry Level 3 or Level 1.
Students will choose a vocational Pathway into employment:

- Creative Arts & Digital Skills
- Business, IT and Enterprise
- Performing Arts & Music Production
- Outdoor Learning - Horticulture & Construction
- Manufacturing - mini Prism engineering workshop (Level 1 only)
- Sport & Leisure
- Catering, Hospitality & Tourism

Learning focuses on the personal qualities and work skills required in each sector and leads to a Diploma in Skills for Further Learning and Employment.

To find out more information about the kinds of things you'll do within each subject, please visit **hereward.ac.uk**

What can I do after completing the programme?

Explorer learners can progress to a Level 1 or Level 2 study programme which enables them to specialise in one vocational subject, or they move onto a work programme such as Transition to Employment or a Supported Internship.

Superb facilities

Hereward College has superb facilities in a wide range of curriculum areas, including:

- Premier Inn training facility
- Training kitchens
- Music and media suites
- Performing arts theatre
- Art studio
- Sports centre
- Construction workshop

How do I apply?

Learners are assessed through direct application to the college or upon receipt of a consultation from the local authority.

Places are funded by your local authority through an Education, Health and Care Plan (EHCP) and the final decision on placement is made by the local authority.
